### ATTORNEY CLIENT PRIVILEGED

Mr. Benjamin LaGuer (W-40280)  
NCCI Gardner  
PO Box 466  
Gardner, MA 01440

Ben:

After Jeff sent out a letter earlier today reporting that Mary Barteveyan, legal counsel for the Massachusetts Department of Correction, had yet to file a formal response to the renewed petition for medical parole, the fully assembled 358-page administrative record unexpectedly arrived here from Barteveyan late this afternoon and is enclosed herewith for your review. The first 193 pages consist of the renewed petition and supporting exhibits (designated by the sequential Bates Number pagination spanning from "A.R. 1 to A.R. 193"), while the remaining 165 pages encompass the original petition and exhibits (without Bates Number pagination).

As always, feel free to call or write if you have questions or concerns.

Sincerely,

Josh Good
